Fruit Tree

12' - 15' High

12' - 15' Spread

**Growth
Moderate**

4 + Hours

**Spring Blooming
Early Harvest**

Zone 4 - 9

Gala Apple is a medium sized apple with orangish-red skin. It is considered an early harvest apple and ripens in September. Gala Apple was founded in New Zealand in 1934. A great choice for fresh eating, baking, cooking, and freezing. **Pollinators: Fuji, Granny Smith, Honeycrisp, Jonathan, and Red Delicious.**
