

Golden Treat™ Apple

(*Malus* 'UEB 41811' PP30864)

Fruit Tree

8' - 10' High

2' - 3' Spread

Fast

4 + Hours

Spring Blooming
Easy Harvest

Zone 5 - 8

Deliciously aromatic, crunchy, and firm, Golden Treat™ apples are a favorite among chefs and connoisseurs. Crisp, with a harmonic sugar-acid ratio, they are often added to cheese plates, or used for baking in cobblers and pies. In celebration of spring, medium-pink buds open to soft-pink flowers. A golden-skinned apple with a slightly tart taste, the fruits are full-sized on this miniature tree. **Pollinators: (Fruit Snacks Varieties) All Red, Blushing Delight, Tangy Green, Tasty Red, Sweet Tart.**
