

Cat's Meow Catmint

(*Nepeta faassenii* 'Cat's Meow')

Perennial

16" - 20" Tall

12" - 16" Wide

**Bloom Time:
Summer**

4 + Hours

Zones 3 - 8

Cat's Meow Catmint is a dense growing perennial with fragrant foliage. Blueish purple flowers emerge in the late spring and rebloom throughout the summer. This drought tolerant perennial is a great choice for the hot west side of the house.
