

Weeping Norway Spruce

(Picea abies 'Pendula')

Evergreen Tree

4' - 15' High

4' - 15' Spread

Growth Slow

4 + Hours

Zone 3 - 7

Weeping Norway Spruce is an animal of its own. It has weeping branches that are trainable to any shape you desire. It is an evergreen and will hold its color all year long. A great choice for a specimen in the yard.
