

# Mandarin Tango<sup>®</sup> Potentilla

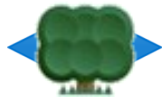

(*Potentilla fruticosa* 'Jefman' USPP29830)

**Shrub**

**2' - 3' High**

**2' - 3' Spread**

**4 + Hours**

**Compact Size  
Orange Flowers**

**Zone 2 - 6**

The Mandarin Tango Potentilla is a vibrant, deciduous shrub known for its long-lasting, fiery blooms and compact, easy-to-grow nature. From late spring to early fall, it produces abundant, bright orange blossoms with deep red centers, creating a dynamic two-tone effect that adds warmth and energy to the landscape.
