

Pink Flowering Almond

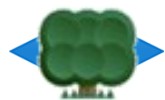

(*Prunus glandulosa*)

Shrub

4' - 5' High

4' - 5' Spread

4 + Hours

**Spring Blooming
Arching Branches**

Zone 4 - 8

Pink Flowering Almond is cherished for its stunning early spring display of soft pink, double or single blossoms that densely cover its slender, arching branches. Though its blooms are short-lived, the plant's graceful structure and vibrant foliage provide seasonal interest.
