

Morden Golden Glow Elderberry

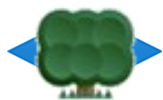

(*Sambucus racemosa* 'Morden Golden Glow')

Shrub

4' - 5' High

4' - 5' Spread

2 + Hours

**Unique Foliage
Spring Blooming**

Zone 3 - 9

Morden Golden Glow Elderberry has fine foliage that emerges red and fades to a bright yellow/green. It blooms white flowers in the spring. It does produce red berries in the fall add contrast to the plant. A great shrub to break up texture and add contrast to a landscape.
