

Thundercloud Sedum

(*Sedum 'Thundercloud'*)

Perennial

8" - 12" Tall

8" - 12" Wide

**Bloom Time:
Summer/Fall**

4 + Hours

Zones 4 - 8

Thundercloud Sedum forms a domed mound as the plant grows. It forms pinkish white flowers from midsummer to early fall. It has serrated foliage adding texture to the land scape. A drought tolerant perennial great for borders or rock beds.
