

Golden Sunset™ Indian Grass

(*Sorghastrum nutans* 'MNYG318153')

Perennial Grass

5' - 6' Tall

2' - 3' Wide

4 + Hours

Cutback in Spring

Zones 3 - 9

Golden Sunset™ Indian Grass is a striking ornamental grass known for its vibrant autumn display. The leaves are narrow, long, and arching, with a blue-green hue during summer that transitions to a golden-yellow color in the fall, contributing to its name. In late summer to early fall, small golden or coppery flowers appear in airy, plume-like seed heads, adding texture and visual interest to the plant.
