

# Wood's Pink Aster

*(Syphyotrichum 'Wood's Pink')*

**Perennial**

**12" - 16" Tall**

**12" - 16" Wide**

**Bloom Time:  
Summer**

**4 + Hours**

**Zones 4 - 8**

Wood's Pink Aster is a welcomed sight in the fall. It will produce pink flowers from late summer through fall. A great addition to a full sun garden that needs fall color. It is very deer resistant but rabbits on the other hand love this plant.
