

Green Giant Arborvitae

(Thuja standishii x plicata 'Green Giant')

Evergreen Tree

25' - 30' High

8' - 10' Spread

Growth Moderate

4 + Hours

Zone 4 - 8

One of the finest evergreens for use as screening or a windbreak. This upright conifer is versatile, strong-rooted and virtually disease-free. Its uniform shape rarely needs pruning, but responds well to shearing. A durable, handsome accent tree.
