

Opening Day™ Doublefile Viburnum

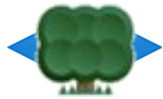

(*Viburnum plicatum* 'PIIVIB-II' USPP28958)

Shrub

6' - 8' High

6' - 8' Spread

2 + Hours

**Snowball Flowers
Purple Fall Color**

Zone 3 - 8

Opening Day™ Doublefile Viburnum is a stunning deciduous shrub known for its unique horizontal branching, abundant spring flowers, and attractive year-round features. In spring, it produces clusters of white, snowball-like flowers that appear in early to mid-season, offering a beautiful display. Its dark green foliage transitions to rich shades of red, burgundy, and purple.
