Current Surcharges and Special Cost Elements 10/21/25

To Our Valued Noblelift North America Distributors: When calculating dealer net pricing on new factory orders after 8/18/2025 the following surcharges and special cost elements should be considered. Equipment that delivered into Nobellift North America inventory prior to this date may be available on a first come first served basis from our distribution locations in California, Illinois or Georgia. Contact sales@nobleliftna.com for more information.

Section 232 Steel Surcharges on New Factory Orders

Class 1,2,4,5,7: 25% of rated capacity.
(Example: 5,000lb capacity truck = $1,250 Steel Surcharge)
Class 3.1: $125 Flat Steel Surcharge (Example: Edge series, Avant series)
Class 3.2: Walkie Pallet Trucks: $250 Flat Steel Surcharge
Class 3.2: Rider Pallet Trucks and Stackers: $500 Flat Steel Surcharge
Scissor Lifts: $1,000 Flat Steel Surcharge
OPX33: $2,500 Flat Steel Surcharge
OP8.5: $300 Flat Steel Surcharge
HERO: $500 Flat Steel Surcharge
Class 6: $500 Flat Steel Surcharge
Sweepers & Scrubbers: $250 Flat Steel Surcharge
Manual Stackers: $100 Flat Steel Surcharge
Manual Pallet Trucks: $50 Flat Steel Surcharge

Note: These amounts are not subject to dealer discounts and should be added as a line item to purchase orders for each unit of a given type ordered.
