### **Definition of Terms:**

**Delivered:** Delivered price does not include transportation fee. The rental cost for tables and chairs DOES NOT include set-up or take-down. This service is available with additional charges when arranged in advance. Tables and chairs must be assembled in a single location for pick up.

**Sale Item:** The item is sold to you not rented; therefore, you are able to keep these items.

## Rental Period and Pricing

\*Prices are subject to change without notice

The rental rate on most equipment is for 1 to 3 days, orders for weekend events may be picked up on Friday and returned on Monday. Rates for periods longer than 3 days are available by quote. Charges are based on time out, whether the items are used or not.

## Reservations & Payment Terms

All quotes will be honored for 14 days.

All rentals require a **non-refundable** 50% deposit to reserve the items.

To reserve your order, simply return the signed contract with a 50% deposit.

All items scheduled for delivery must be paid in full at least **SEVEN (7)** days in advance of delivery.

## Site Visit

We would be happy to schedule a time to visit your event location to ensure the tent and/or accessories fit your needs accordingly. We do charge a fee for this service based on the location. When the event is booked with us, 50% of this fee is credited toward your rental contract.

## Cancellations & Reductions in Equipment

All cancellations must be submitted in writing and will result in forfeiture of the entire 50% deposit. Any contract may be changed up to 30 days prior to delivery. Any changes after 30 days may result in an additional charge.

## Damage Waiver

A nonrefundable 10% damage waiver is added to all contracts which will cover accidental breakage due to normal use. This is not insurance and does not cover loss, theft or abuse and damaged items must be returned to Briggs Tent and Party Rental. If items are lost or stolen, the customer will be charged the current replacement cost.

## Shop Supplies

A nonrefundable 4% shop supplies is added to all contracts which covers regular maintenance and inspection prior to delivery of rentals.

## Security Deposit

A credit card is required to be on file for all equipment, dinnerware, glassware and flatware. This card may be charged after complete inspection of items after the rental for the reasons listed below. It may be retained for unsanitary/unclean equipment, (this includes dinnerware, flatware, and/or glassware), damage, loss, and theft, which are not covered by your damage waiver. ***IF ITEMS ARE NOT PLACED IN SAME LOCATION AS DELIVERED AND STACKED OR REPACKED IN THE ORIGINAL CONTAINERS, YOU WILL BE CHARGED FOR THE ADDITIONAL TIME.***

## Responsibility of Equipment

Responsibility for all rental equipment remains with the lessee from delivery to the point of return, or from pick-up at our store until the point of return. Customers are responsible for checking the count and condition of items upon delivery, or pick-up at our store. Please make sure all equipment is secured when not in use, and protected from the weather. Equipment must be cleaned prior to pick up or return to our store, unless otherwise specified. Customers are responsible for cleaning charges if any items are returned dirty, and replacement costs for items with irreversible damage. Please keep in mind that candle wax and other chemicals or substances may permanently stain our equipment.

## Tents

Make arrangements for someone to be on-site the day of tent installation. If no one is available, it is acceptable to mark the area of the tent with stakes or paint. Please secure pets during the tent installation, and make sure all pet waste is cleaned up prior to installation.

All decorations must be taken down prior to tent removal. DO NOT use staples, nails, tacks, screws, etc. on the tent poles to hang decorations. Any residue left on the tent or on sidewalls must be removed prior to disassembly.

### **Dance Floor**

All oak parquets dance floor rentals must be inside or underneath a tent WITH SIDEWALL. Any rain, spills, water, or other moisture that comes in contact with the floor should be wiped off IMMEDIATELY, as this can stain and/or warp the dance floor. Customers are responsible for repair costs, and replacement costs for items with irreversible damage.

### **Digger's Hotline**

It is the responsibility of the lessee to contact Digger's Hotline (800-242-8511) at least SEVEN (7) days in advance of installation. If contact has not been made nor markings completed, the tent will not be installed and will be held liable for the full amount of rental. If completed after first attempt to install, you will be charged an additional delivery charge.

### **Delivery and Set Up**

We deliver anywhere; charges vary based on the distance from our store. Standard delivery and pickup includes drop off at dock or curb during our regular business hours, additional charges apply for off hours. **Deliveries that require us to hand carry items, or deliver to a location other than ground level will be charged an hourly rate of \$50.00, in addition to the standard delivery fee.** Set up and take down of rentals is not included in our standard rental or delivery fee, that service is available at a nominal cost if arranged at the time of reservation.

Items must be placed in the same location as delivered and stacked or repacked in the original delivery containers for pickup. ***IF ITEMS ARE NOT PLACED IN SAME LOCATION AS DELIVERED AND STACKED OR REPACKED IN THE ORIGINAL CONTAINERS, YOU WILL BE CHARGED FOR THE ADDITIONAL TIME.***

### **Do-It-Yourself Tents**

We offer tents for pick-up at our store which customers can set up themselves. We recommend that you contact Digger's Hotline to have the underground utilities marked. After your event, make sure the tent (and sidewalls, if rented) is DRY before taking it down and placing it in the provided bag, as moisture can cause mildew damage. Be sure to return all poles and stakes, and place them in the provided bags.

### **Sidewalls**

Sidewalls are not included in the tent price, but are available for an additional charge. If you rent sidewalls for your tent, please DO NOT drop sidewalls on the ground. If you desire not to use the sidewalls, please roll them up or fold them back. Customers are responsible for cleaning charges if any items are returned dirty, and replacement costs for sidewalls with irreversible damage from being left on the ground.

### **Cleaning**

Items must be returned clean and in their proper containers, staples and tape need to be removed. Cleaning charges will be assessed at a rate of \$50/hour, see below for dish and linen exceptions.

### **Dishware**

All of our china, glassware, and flatware come sterilized, plastic wrapped, and "table ready" for your immediate use. Please return items "food free" (scraped/rinsed—a thorough washing is not necessary) and in their original packing containers. Flatware must be DRY before returning it to the provided container, as leaving it wet will cause pits and destroy the flatware.

### **Linens**

Shake out but don't wash table linens. Please remember you are responsible for damage to linens caused by mildew, burns, or tears. We will provide a bag for used linens so do not store damp linens in plastic bags as that may cause mildew. Please return all skirting on the hangers provided. Skirting clips/pins need to be returned as well.
