BEAUTY & PERFORMANCE

"The installation crew did such a great job installing my new windows! They were on time, polite, and made sure everything was all cleaned up when they were finished. They made the process easy. I highly recommend Universal Windows Direct of Fort Wayne!"

- Johanna P., Auburn, IN

A Message from Marc Faylor, Owner

At Universal Windows Direct of Fort Wayne - Faylor Construction Inc., we are proud to be a family owned and operated company serving homeowners throughout Northeast Indiana and Northwest Ohio since 1986.

For nearly four decades, our mission has been simple: to provide homeowners in our own communities with the highest quality home improvement products, expert installation, and the absolute best value we can offer.

As a local company offering nationally backed products and warranties, we are able to give our customers the best of both worlds: the friendly, personal service of a family business combined with the strength, quality, and peace of mind that comes with a national brand.

From windows, roofing, siding, gutters, and doors to kitchen and bathroom remodeling, home additions, and more, our team is committed to helping you improve, protect, and enjoy your home for years to come.

Marc Faylor - Owner
Universal Windows Direct of Fort Wayne
Faylor Construction Inc.

ENERGY EFFICIENCY

High Performance UniShield® Packages

During winter, the inner pane of glass stays warmer to the touch. During the summer, it stays cooler. With better performance overall, you will save money with energy efficient windows, regardless of the season!

Greater insulation

Tested 700x better than aluminum

A living room with a large window and a beige sofa. The window looks out onto a yard with trees and a fence. The ceiling has a recessed light and a ceiling fan.

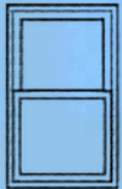

WINDOW STYLES & FEATURES

"They replaced all the windows in our home, including an oddly sized one. We were very happy with the work, and the prices. Everyone is very nice at the company. We would hire them again in the future!"

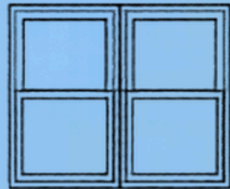

- Holly S., Fort Wayne, IN

Double Hung Features:

- 1 **Tilt Latches** - give the window smoother operation and better performance.
- 2 **Sash Limit Locks** - allow partial opening, providing security from intruders.
- 3 **Groove** - in bottom of sash for vinyl inner sill dam to lock into, creating a secure fit.
- 4 **Extruded Lift Rail** - is part of sash, not added later.
- 5 **Cam-Style Lock** - pulls sashes together for a weather-proof seal while providing security.

SLIDING GLASS PATIO DOORS

"I purchased a patio door with internal venetian blinds & I love it! The blinds keep the sun out, without the worry of having the cat or dog brush into them. The installers were fantastic, and explained everything to me. Couldn't be happier!"

- Connie C., Fort Wayne, IN

Standard Sliding Glass Patio Door

The UniShield® vinyl sliding glass patio door delivers everything you would expect from a patio door: beauty, elegance, energy efficiency, low or no maintenance, and the latest in gliding door technology. Whether you're building or replacing, look into a sliding glass door and feel secure about your choice.

Sliding Door Features:

- 1 Double Weather-Stripping where door panel meets main frame, and where door panels interlock.
- 2 Fusion Welding at door panel corners transform four extrusions into a strong, efficient one-piece door construction.
- 3 Safety Glass for strength and safety.
- 4 Injected Foam Filling in the vertical main frame extrusions expands to add both rigidity and insulating value. Saves money on heating and cooling bills all year-round.
- 5 Vertical Main Frame & Door Panel Extrusions reinforced with aluminum.
- 6 Sloped, Aluminum Reinforced sill guides rainwater outside and away.

Two Panel

Three Panel

A bright sunroom with large windows, a chandelier, and a dining table. The room features a wooden floor, a grey patterned rug, and a dining table with a black metal frame. A chandelier hangs from the ceiling, and a sign above the windows reads "Bless this Home with Love & Laughter".

OPTIONS & UPGRADES

"These guys are top notch. We needed all the windows replaced in our Sun Room. They were fast, efficient, and I was really impressed with the quality of the workmanship.

- Sara C., Huntertown, IN

Color and Paint Options

Worried that replacement windows won't mesh with the exterior and interior colors of your home? We have a plethora of colors to choose from, allowing you to mix and match vinyl colors, exterior paints, exterior laminates and interior wood-grains to create your perfect window!

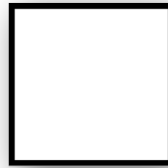

Vinyl window colors are added at the factory, not painted on at the home after installation! Standard white or tan vinyl is part of the window frame itself, while upgraded exterior colors are factory-applied as either a durable PVC paint finish or a bonded laminate.

Interior woodgrain finishes are also laminated onto the vinyl.

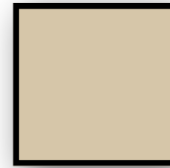

* Colors are close approximations. True colors displayed on material swatch palette.

Decorative Glass Options

Why not add a little flair to your new windows and customize them with one of our grid styles and/or glass views? We offer a wide variety of decorative etched glass options and in-window gridding systems that are sure to fit any home's style. Our in-window systems and etched glass options are custom-installed at the factory, ensuring perfect placement and installation every time.

All of our products are scrutinized under extreme weather conditions and structural stresses. Top quality and integrity are insured with all of our products.

TRUE LIFETIME WARRANTY

"The team at Universal Windows Direct of Fort Wayne is easy to work with and treated us like family. Prices were comparable, and made me not feel like I was being taken advantage of like some other places did."

- Tina S., Kendallville, IN

True Lifetime Warranty

Universal Windows Direct of Fort Wayne warrants its products for as long as the original purchaser owns the property on the following components:

Pieces, parts
and materials

Glass system
and frames

All locks and
hardware

All installation
and labor

Terms and Conditions

We proudly back our products with an outstanding warranty service, even long after the completion of the home improvement project. Warranties from Universal Windows Direct are 100% non pro-rated and 100% trans-ferable to a subsequent homeowner for a period of 30 years. Before contacting us about warranty replacement, please be prepared to provide a detailed explanation of the damaged product. Please note that the True Lifetime Warranty does not include defects resulting from abuse, misuse, neglect, vandalism or acts of nature. In the event that defects in the product appear within the warranty constraints, no service costs will ever be charged.

Should you find yourself experiencing defects with any of our products, please don't hesitate to reach out to us. Our committed team is ready to assist you to the best of our abilities.

We thank you for choosing Universal Windows Direct for your home im-provement needs and look forward to doing future business with you.
