

NEW Seasonal Planter Subscriptions!

Custom designed and professionally installed

One subscription includes 4 planter deliveries per year: June, September, December, and March. We use your planters or can help you purchase new, complementing each with a colorful palette of stunning blooms and foliage to be noticed and thrive throughout the year, *with no need to get your hands dirty!*

Interested in a consultation? A professional will come to you, measure your planters, and answer questions for \$50 per hour. Subscribe and receive \$20 towards your first year.

Don't see your planter size? Just let us know and we can get you a price.
