## STARLINE DANCE COMPANY

*CLASS & ROUTINE REQUIREMENTS & ABOUT STARLINE*

**2026-2027 DANCE SEASON**

*Come be a member of our award winning StarLine Dance Company Team!*

**Company Dance** is for that dancer that would like to take their dance experience to the next level. Here at MDA we provide three levels of Competitive Group ages 7 – 18. Being a member of a Dance Company is an incredibly rewarding experience that goes far beyond just learning choreography: it is a supportive community that transforms your passion into artistry. It includes deep lasting friendships with creative, dedicated and hard - working individuals “Dance Family” that celebrates shared dedication and personal growth together. Company membership pushes dancers to new levels of technical skill and versatility. Also offering opportunities to perform on stage, and grow as both a dancer and an artist.

MDA will place students not just by age, we also will place students per level as well. We would like to keep ages together for competition purposes, ***however there might be some students that could be one age down or one age up within their skill level.*** Keep in mind that all competition companies have different rules and sometimes different ages group Divisions. The majority of competition companies use age as of January 1<sup>st</sup>. Your age will not count after that date. If the competition company is setting a different date after January then the students age as of that date will apply.

### STARLINE DANCE COMPANY ATTENDS 5 REGIONAL COMPETITIONS & 1 NATIONALS EVERY OTHER YEAR

Each student that becomes a member of The StarLine Dance Company will be placed in Either Petite Company Groups, Junior Company Groups, Teen Company Groups or Senior Company Groups and then be placed in certain routines. Keep in mind there could be two groups within the same age group, however they could be different levels. For optional routines sometimes, age groups could be combined within two different Company Age Groups. Petite Company meets twice a week. Junior & Up- three days a week. If your student is doing a solo or duo/trio or an optional or production routine these routines might be scheduled on a different day than their regular scheduled classes/ groups. On a Non-National Year we might schedule a Convention in October or November that would be mandatory.

All StarLine Members will be placed in our Company Production. The length of Company Production rehearsal will vary. We try to have two Company Production Rehearsals a month. These rehearsals will be on Saturdays. When competitions begin, they may be limited, however we will run the routine on Thursdays, during our Stretch Classes if needed. Once a month we will have an Acro Class with Mr. Roby during one of the Saturday Rehearsals. If this class is scheduled and takes place an additional \$12.50 will apply for that month.

For any outside choreography that we might hire, each student will be responsible in paying their share for covering cost of airfare, hotel, choreography, chorographer, teacher, rehearsal time and 10% Administration Fee. This fee will be divided evenly with the number of students within that routine.

**NOTE:** IF YOU ARE REQUIRED TO BE IN ONE OPTIONAL ROUTINE AND ARE NOT PLACED IN ONE - YOUR OPTION WOULD BE TO ENROLL IN A REGULAR SCHEDULED GYMANSTIC CLASS THROUGHOUT THE WEEK. AN ADDITIONAL \$55.00 A MONTH WILL APPLY OUTSIDE YOUR PACKAGE. This is only if the schedule allows you to join. Sometimes it is difficult to schedule around all other required classes.

***PLEASE MAKE SURE YOU READ ALL THE PARENT/STARLINE DANCER COMPANY RULES, COST, DRESS ATTIRE AND ADDITIONAL COST THAT WOULD BE REQUIRED.***
