Thank you for choosing Admiral Dry Cleaning Restoration, Inc. You have contacted us to help clean your textile items affected by mold using the Environmental Protocol and designed products to launder and fog your clothing. We handle and transport each customer's clothing individually. Every precaution is taken to provide you with the best quality service and results.

We do our best but there may be some items that are not cleanable. There are resistant molds, and some can permeate a fabric so completely that they cannot be cleaned. Because of this, we cannot offer a guarantee that your items will be completely mold free. We do guarantee that we will do our best to achieve that goal and provide you with excellent service. We clean all items according to the manufacturer cleaning label. If the item does not have any care instructions, we will clean it to our best ability. If any damages or fading occurs, Admiral Dry Cleaning Restoration, Inc. is not liable.

There is a free **onetime** pick up and **onetime** delivery if the job totals \$500.00 or more, Note: Any additional pick up or delivery will be \$75.00. If under \$500, the items will need to be dropped off at our facility. The payment must be paid in full prior to or on the date of delivery. No items will be delivered until the full amount has been paid.

Please sign and return this Authorization Form and Price List by email cassiewalker01@yahoo.com or mail to Admiral Dry Cleaning Restoration see mailing address above. **This form must be signed before we can schedule a pick up and/or start on the cleaning of your textiles.**

Note: We do not remove furniture from rugs due to insurance purposes.

Thank you for choosing Admiral Dry Cleaning Restoration and we appreciate the opportunity to be part of your wellness protocol.
