**HOPE HAVEN**

## In-Kind Sponsorship

Join us at our upcoming charity event as we strive to make a meaningful impact on the lives of those in dire need of wheelchairs worldwide.

This year's proceeds will go toward Hope Haven KidChairs built in Hope Mobility's Resource Center in Kenya.

To make this a successful event, we invite you to be one of the in-kind sponsors to showcase your business by donating a dessert! Take a look at the reverse side of the sheet for information on sponsorship opportunities to engage your business. We value our dessert sponsors, and we would be honored to recognize your business in a variety of ways, according to the details provided.

# Dessert Donation Benefits — Sweet Recognition Awaits!

## YOUR DONATION ENTITLES YOU TO:

- **Program Listing** – Your name or business listed in our event program
- **Event Signage** – Recognition on signage throughout the venue
- **Promotional Spotlight** – Featured in our program ads, social media, and e-newsletter
- **Trophy & Social Recognition** – Top 3 desserts receive a trophy and a shout-out on social media and in our post-event e-newsletter

## DETAILS ABOUT YOUR DONATION

- Dessert will be picked up between 12 pm - 3 pm on Tuesday, October 7 by a Hope Haven representative.
- Serving dish will not be returned.
- Please provide a 1 - 2 sentence description of your dessert for the event program. Email to Sam Van Der Stoep at [svanderstoep@hopehaven.org](mailto:svanderstoep@hopehaven.org) by September 17.

Your sweet treat supports a life-changing cause and puts your name in front of hundreds of guests. Let your generosity be just as memorable as your dessert!

## Hope Haven & Hope Mobility: Expanding Mobility Across Continents

Hope Haven International Ministries is honored to partner with Hope Mobility to expand access to mobility and dignity across Kenya. What began in 2022 with a single shipment of Hope Haven KidChairs to Kenya has grown into a powerful partnership rooted in shared purpose and a call to serve.

Today, Hope Haven KidChairs are locally manufactured at Hope Mobility's fully accessible resource center in Kenya, which employs individuals with disabilities. To support this initiative, Hope Haven operates a nearby warehouse in Nairobi, ensuring a reliable supply of materials while significantly reducing shipping costs for both organizations. By shipping materials as needed, the process remains efficient and cost-effective.

Since launching this partnership, we've collaboratively built and distributed over 1,600 wheelchairs in Kenya - bringing mobility, independence, and hope to some of the world's most forgotten children.

Proceeds from this year's Dessert Auction will directly fund the essential materials needed to continue building Hope Haven KidChairs and continue this life-changing mission.

## Charity Event

### Empowering Mobility, Spreading Hope

Join us at our upcoming charity event as we strive to make a meaningful impact on the lives of those in dire need of wheelchairs worldwide.

This year's proceeds will go towards Hope Haven KidChairs, built at Hope Mobility's Resource Center in Kenya. Thanks to your generosity, last year's event raised an incredible \$46,000 for flood relief in Rock Valley!

Invite your friends or colleagues to fill a table of 8 for the chance to bid on your favorite sweet treat, which has been generously donated by local bakeries and restaurants.

### This night includes...

- Social Hour
- Dinner
- Chance to bid on your favorite dessert with your table to enjoy that night
- Additional auction items
