Let us make your
dream home a reality!

Welcome Home!

Looking to build a new home or update your existing home? If so, you've found the right team for the job. Since 2002, Karr-Bach Builders has provided residents in the area with outstanding services. Whether you are looking for a starter home, move up home or retirement home, Karr-Bach Builders has the skills and resources to build a home to fit your needs.

With extensive knowledge of shoreline zoning and building codes, improving and beautifying your lake property is effortless when working with the Karr-Bach team.

The Karr-Bach management team brings to the table many years of combined experience. From ideas, design and lot selection to paint color, finish trim and how to maximize every square foot of your home, Karr-Bach has the answers. Your complete satisfaction will be our top priority while you work with us.

Thank you for taking a minute to get to know us. We hope to work with you soon and create the home of your dreams!

Home is where your story begins.
Let Karr-Bach Builders be your author.

Karr-Bach Builders management consists of the owners Mike Karrels and Craig Halbach. With over 44 years combined experience in the residential construction industry, they have the experience necessary to take on any projects. Mike and Craig manage different parts of the business in an effort to be more focused in each area and serve their customers needs best.

The Karr-Bach team also consists of many long term employees that have their own specialties including rough-in and finish carpentry. Alongside long standing relationships with many local subcontractors, Karr-Bach will not only be your builder, but your general contractor as well.

We invite you to call and meet with us and let us show you why Karr-Bach Builders should be your builder.
