

Dear Parent,

Thank you for choosing Heritage Medical Associates as your healthcare provider. Children's Clinic East is now a proud member of Heritage Medical Associates! In order to evaluate your child for attention deficit disorder (ADD) or attention deficit hyperactivity disorder (ADHD), we will need the following items to complete your evaluation.

1. Parent NICHQ Initial Evaluation form (enclosed).
 - a. We require that both parents complete a form independently.
 - b. If a second parent is not available, then a grandparent, babysitter, or other caretaker may complete the form.
2. Health History Form (enclosed). Although your primary care physician may already be aware of some of this information, it is useful to review the child's complete health history in the evaluation of ADHD.
3. Teacher NICHQ Initial Evaluation form (enclosed). We prefer at least 2 teachers fill out the form independently.

Once we receive the above items in our office by mail or in person, we can schedule your appointment with your preferred provider.

Please indicate below how many of each form you are returning in the blank provided:

_____ Parent Initial NICHQ forms

_____ Health history form

_____ Teacher Initial NICHQ forms

For the first visit:

- Go to our website at www.childrenscliniceast.com to download the ADHD booklet prior to the visit. This will help prepare you and your family for the visit.
- We strongly encourage both parents to attend the first visit.
- Families with shared custody: We encourage both custodial parents to attend the visit either in person or by conference call. If this is not possible, please give us a brief explanation at the bottom of this form.

My PCP or preferred provider is: _____

The best way to contact me to make this appointment is:

Cell Phone _____

E-Mail _____

Home phone: _____

Please return this checklist with your completed forms. Our office staff will contact you to schedule your appointment.
