HealthyCoat has provided the essential nutrients needed to maintain healthy skin and overall health for many animals just like the one below!

"Skin is the body's largest organ. It acts as a window to your overall health, illness is often reflected by skin condition. It's affected by every aspect of life. Skin that is healthy is able to resist signs of aging and heals faster."

See what HealthyCoat users have to say...

"Henry has problems with arthritis in his hip...
after **two months** on HealthyCoat he
is feeling well enough to run around
acting like a pup again."

"I've used many feed additives, but HealthyCoat is **the best** by far."

"No matter the animal, all my animals are healthier."

"All of our dogs have gained softer, glowing coats with less shedding and healthier skin."

"...tremendous product **for all athletic horses**. It helps them achieve prime condition"

"HealthyCoat has produced better coat and hoof conditions, as well as **tighter joints**."

"HealthyCoat helped to **decrease the loss of feathers** during their molting season. My chickens look much better now!"

"If you could only choose **one supplement** to use it should be HealthyCoat because of the **multiple benefits**."

ALL NATURAL HEALTHYCOAT® WITH MULTIPLE BENEFITS

HealthyCoat is the highest-quality, Omega 3 and 6
Essential Fatty Acid supplement fortified with niacin, biotin, and vitamin B12. HealthyCoat is used and recommended by many veterinarians and trainers. The nutrients in HealthyCoat products are preserved in their highest-quality due to our unique, patented, mechanical extraction process. This method uses low temperatures and no chemicals to keep all nutrients intact, making it highly digestible and extremely palatable.

HealthyCoat serves to improve hair, skin and hoof health and promote a glossy hair coat, as well as sustain digestion to obtain prime performance, and optimal health. The Omega 3 & Omega 6 Essential Fatty Aids work to prevent and treat arthritis, joint pain and inflammation.

All HealthyCoat products are good for warm and cold weather feeding, and stressful times. At higher levels, HealthyCoat may be used as a natural, safe, weight builder. It will keep your animal on its feed and is for putting your animal in show condition.
