

Capabilities Statement

A leading DMEPOS provider specializing in custom prosthetics and orthotics for veterans and the local community. We provide custom prosthetic, orthotic and pedorthics services all along the Wasatch Front in Utah. We have a unique set of skills and abilities to care for anyone needing help to get on their feet again. We have an excellent staff who is willing to go above and beyond to care for each individual. We are the right direction for custom prosthetic, orthotic and pedorthic services.
