How to Order (Pine)

Pine has a face width of 5", so take the square footage of area to cover and multiply by 2.52 to determine the lineal footage to order. This allows for about 5% waste. Board lengths are random from 5' to 12' depending on availability. We package in (4) piece bundles.

Pricing is per Lineal Foot.

How to Order (Red Grandis)

Red Grandis has a face width of 4 3/4", so take the square footage of area to cover and multiply by 2.65 to determine the lineal footage to order. This allows for about 5% waste. Board lengths are random from 5' to 14' depending on availability. We package in (4) piece bundles.

Pricing is per Lineal Foot.
