## Redefining How You Entertain!

*Mobile catering for all your private & corporate functions*

Peppino's Pizza is well known in every household and business in Central New York, but Peppino's Catering is what makes us unique.

Let us entertain your corporate or private event with our custom-built pizza oven, which becomes the centerpiece of your event. Our experienced staff will come in and take your worries away, so you may enjoy the special day.

Our versatile set-up allows for a more intimate experience, as we become part of your event and our delicious pizzas are made fresh and on site, using our famous Artisan dough for an all-you-can-eat extravaganza. Your guests will be entertained as they watch our pizza chefs toss dough and pull pizzas out of our authentic brick ovens.
