DC MEATS

From Our Family to Yours

Ham

Ingredients:
DC Meats Ham

Whole Ham

Bake in oven at 225°F. If eating at Noon start baking at 10pm. If eating at Dinner start baking at 5am. The internal temperature should reach 145°F.

Half Ham

Bake in oven at 350°F uncovered approximately 15 minutes per pound. A 10 lb ham will take about 2.5 hours. The internal temperature should be 145°F.

The lower slower you do this the better.

Bless the Food before us, the Family beside us,
and the Love Between us. Amen.
