DC MEATS

From Our Family to Yours

Polish Sausage

Ingredients

DC Meats Polish Sausage

Cooking Instructions

3 lbs +: Place in large pot, fill with water just above sausage. Turn the heat on. Once it reaches a boil it “should” be finished! Check your temperature, it can be pink!

Ending Internal Temperature: 165°F

Bless the Food before us, the Family beside us,
and the Love Between us. Amen.
