A PERFECT SETTING FOR YOUR FAMILY VACATION

"Old Florida"

Come Relax & Unwind...

The Best of Both Worlds!!! Come back to the "Old Florida" beach experience with beautiful quiet beaches, friendly people and no high rise condo's or resorts, but still close to all the restaurants and shops you could want. Truly the "Best of Both Worlds".

The perfect setting for your family vacation, reunion, corporate retreat, church or Sunday school retreat, beach wedding, or special group.

At a Beach Retreat, our resort motel offers our guest spacious accommodations fully equipped with all the modern conveniences of home, including full mini kitchens with utensils and wireless internet in all units. We are ideally located on Casey Key, a uniquely beautiful barrier island situated between Sarasota and Venice on the Gulf of Mexico.

Relax on our private beach or in our heated fresh water pool. Fish the gulf of Mexico or Intercoastal Waterway. Collect fossilized sharks' teeth and beautiful seashells. Stay for the day, week, or month. Enjoy your stay in your choice of our spacious bedroom suites up to three rooms or even our deluxe studio accommodation. Enjoy our quiet, island neighborhood atmosphere. Other amenities include BBQ grills, guest laundry facilities, and 10 boat docks for our guests.

Our friendly staff will assist you with theatre tickets, dinner reservations, golf tee times, boating day trips, and more. Remember to bring your camera to capture one of our breathtaking sunsets or for the chance to photograph a dolphin or a manatee.

We have recently reinvigorated the entire property here at A Beach Retreat on Casey Key. Brand new tile floors, tile showers, stainless steel fixtures, granite countertops and Tommy Bahama style furniture are among the new amenities.
