# The Leewood Summer Experience

*Offers Exclusive Country Club access for the entire family*

## Memorial Day to Labor Day

Dear Prospective Member,

We are delighted to invite you to experience summer at Leewood Golf Club.

As the season begins, our grounds team is meticulously preparing the fairways and greens to deliver exceptional playing conditions, while our hospitality team is planning an exciting calendar of culinary, social, and recreational events for members and their families to enjoy.

Leewood is more than a golf club — it is a complete lifestyle destination featuring championship golf, tennis, swimming, fitness, exceptional dining, and a vibrant family-friendly atmosphere.

Summer brings a renewed energy to the club, with outdoor activities in full swing and a dynamic social season that offers something for everyone.

This Summer Membership is a one-time opportunity per applicant. The cost of the Summer Member is \$12,000, if it is converted to a full Golf membership by Labor Day, you will receive a \$5,000 credit toward the current initiation fee. We invite you to explore membership opportunities and discover all that Leewood has to offer; from golf and tennis to poolside afternoons, family dining, and memorable summer experiences close to home.

We look forward to welcoming you to Leewood Golf Club.

## LIVE THE CLUB LIFE THIS SUMMER

*Experience the kind of summer that brings people together. Early morning tee times followed by afternoons by the pool, with a little tennis sprinkled in. Cap it all off with dinner on the patio with friends.*
