

LIMITED WARRANTY

TAILIFT INTERNAL COMBUSTION + ELECTRIC FORKLIFTS

Tailift USA warrants that new and unused Tailift-built forklifts (product) shall be free of defects in material and/or workmanship at the time of manufacturing. Should any part or parts of the product covered by this limited warranty be defective concerning material and/or workmanship under normal use and maintenance, during the period specified herein following the delivery of the product to the original purchaser/user, Tailift will replace or repair such defective part or parts, without charge, with new or repaired part(s) (whichever Tailift elects). The obligation of warranty shall be limited to replacement or repair cost only of such defective part or parts. This warranty excludes all liabilities for damages arising from loss of use or profits, the incurrence of cost or expenses, or injury to business, credit, reputation, or financial standing, and for all consequential damages.

THIS WARRANTY IS DEFINITE, EXCLUSIVE, AND USED IN LIEU OF ALL OTHER WARRANTIES.

NO IMPLIED OR STATUTORY WARRANTIES OF MERCHANTABILITY FOR A PARTICULAR PURPOSE SHALL APPLY.

1. Period

Tailift's obligations under the warranty stated herein shall continue only for the following period;

(a) Two (2) years or four thousand (4000) hours of bumper to bumper use, whichever expires first, immediately following the delivery of the Tailift product- Concerning the entirety of parts originally incorporated in the said Tailift product, excluding articles described in item 1 (b), item 3, and item 4 below.

(b) Three (3) years or six thousand (6000) hours, whichever expires first, immediately following the delivery of the Tailift product- Concerning powertrain components, specifically the Engine, Transmission, Torque Converter, Drive Axle Assembly, Drive Motor, Hydraulic Pump Motor, and Power Steering Motor originally incorporated in the said Tailift product. However, regarding the following parts/engine accessories for Internal Combustion Forklifts, the warranty period is two (2) years or four thousand (4000) hours. Accessories for the engine include the Air Cleaner, Alternator, Starter, Speed Governor, LPG Equipment, and Ring Gear or Flywheel. The policy below applies to retail deliveries on or after 09/01/2025 units delivered prior to this date remain covered under the terms in effect at the time of delivery.

2. Changes and Improvement

Changes in design may be made to improve the efficiency of Tailift products. Any product change, alteration, modification, or improvement does not result in any obligation to incorporate such changes in any existing products, which may have been shipped, purchased, or are in service.

3. Limitations

Tailift does not authorize or allow any other company or person to assume liability in connection with the sales or service of this equipment.

Tailift reserves the exclusive rights to change, modify, and administer this warranty. This warranty is non-transferable.

The warranty stated shall not apply to the malfunction of any Tailift product if they are considered to be attributed to:

(a) Failure to observe the instructions described in Operation & Maintenance Manuals published by the manufacturer, such as lack of scheduled maintenance.

(b) Lack of operating competence, including carelessness and abusive use, overloading, and insufficient or improper maintenance.

(c) Replacement of parts or assemblies that can be repaired by minor adjustments, such as master/wheel/steer/hydraulic cylinder, inching valve, linkage, mast rollers, steer axle, tightening of all fittings, or similar adjustments.

(d) Any alterations, changes, or modifications conducted without prior written consent by Tailift, use of unauthorized replacement parts or components, or servicing performed by anyone other than a Tailift authorized service representative.

(e) Any kind of misuse or detrimental exposure, including collision or accident.

(f) Causes not attributable to Tailift such as flood, lightning, and other Acts of God or uncontrollable natural forces.

4. Exclusions

This warranty shall exclude and not apply to maintenance items, consumable parts, or expendables that may need to be replaced during a warranty repair, such as Filters, Fluids, Rubber Parts, Drive Belts, Brakes Wear, Tire Wear (unless proven defective), Batteries (limitations), Fuses, Bulbs, Wire Harnesses, or the like.
