These are the basic funeral luncheons. Of course, we can do a variety of other entrees, but in trying to keep the cost down for families in need of the service and at such short notice we find these choices work well.

Sunrise Park & Banquet Center is a beautifully decorated facility set in the midst of several wooded acres on Woodville Road, just minutes from Oregon, Genoa, Perrysburg, Rossford, and downtown Toledo. Our gracious lobby and tasteful décor throughout the facility is appropriate for your Funeral Luncheon gathering.

While the facility can accommodate over four hundred guests, special care is taken to arrange the banquet room when smaller gatherings from 50-100 guests are held. The Sunrise staff does the set-up and cleanup of the facility, and all tables are covered with linen tablecloths. A rental fee of \$600.00 for a three-hour rental period is applicable. The bar may also be available for your use. A state liquor license is in place at Sunrise, so no alcoholic beverages may be brought into the facility. If you wish to serve beer and wine, Sunrise can supply that.

The staff at Sunrise is aware that most funeral luncheons are planned on very short notice and they are available to meet with families at our facility for the planning process, or we are willing to assist you with details through telephone conversations. A contract must be signed prior to using the facility. No outside food is permitted at Sunrise; all catering must be supplied through Carolyn's Personalized Catering.

Carolyn's Personalized Catering and Sunrise Park & Banquet Center extend our condolences to you and your family at this difficult time and would be pleased to be able to assist you with arranging your funeral luncheon.
