LET US CRAFT YOUR EXPERIENCE!

Here at The Bourbon Square Jazz Bar, we create experiences. Everything is crafted in-house and done with care. Our team takes pride in their work; every detail is created knowing it will be enjoyed and appreciated.

Our goal: Ensure your experience is beyond what you could have ever imagined.

We take pleasure in getting to know our clients so that we may craft an experience that mirrors them as opposed to a cookie-cutter event.

Our clients get to walk right into The Bourbon Square Jazz Lounge and began enjoying their Experience from the time they cross the door seal. *
