The glossary promotes dialogue around Equity and Inclusion. You are free to add to the terms or adjust the definitions for your organization as needed.

DEI Monthly Holidays and Observances Calendar

Access the list of holidays and national events to plan your Diversity, Equity, & Inclusion engagement calendar.

Member Spotlight

The Institute for Diversity Certification (IDC)® publishes a member spotlight highlighting one of our Members/Student Members to introduce them to the rest of the community, highlight their accomplishments, and thank them for being Members/Students. Complete Guide for Disability Inclusion

Disability Inclusion allows everyone to have equal rights in society – including the workplace. Having a job or career is a standard part of life for many people, but there can be barriers in place that make it difficult for a person with disabilities to find and retain employment. Taking an inclusive stance can increase workplace opportunities.

The Members' Forum

The Institute for Diversity Certification (IDC)® gives Members a place to connect, so we can all help each other become stronger in the next generation of Diversity, Equity & Inclusion work.

Video Library

Missed the live webinar? All our webinars are recorded live and then made available to rewatch. They are more interactive than traditional videos. Engaging in the live event qualifies for recertification Continuing Education Units (CEUs), but watching recorded content does **not**.
