CRUISE Beyond in Alaska

Windstar's 2027 and 2028 Alaska seasons are open on *Star Seeker* — 224 guests and a team of Signature Expedition guides who sail every mile with you.

These expeditions launch right from the yacht — a kayak among ice floes in Endicott Arm, a six-person Zodiac drifting beside harbor seals, a specially permitted bear-viewing excursion in the frontier town of Wrangell.

Between expeditions, the scenery comes to you. The channel into Endicott Arm narrows for miles before Dawes Glacier appears at the far end, calving ice into the water. Nearly every suite opens to a private balcony or a floor-to-ceiling window, so the glacier that was a distant spectacle at dinner is filling your view by morning.
