A New Way To Sail Europe

This December, Windstar welcomes *Star Explorer*, our newest all-suite yacht and the next chapter in yacht-style cruising.

With just 224 guests, thoughtfully designed suites, complimentary specialty dining and more, she gives your clients the intimate experience they're looking for — from her very first sailing.

Think of her for clients who want a more personal way to see Europe: couples marking milestone occasions, well-traveled guests ready for an all-suite yacht they haven't sailed yet, travelers who've been curious about small-ship cruising but haven't found the right fit.

Inaugural-season voyages span the Mediterranean, Northern Europe and beyond.
