

A NEW WAY INTO EUROPE

2028 Summer Sailings In Northern Europe And The Mediterranean

STAR EXPLORER RENDER

Europe may look familiar on a map. From a Windstar yacht, it feels anything but.

In 2028, five yachts return to the Mediterranean and Northern Europe with new routes, new ports and more ways to experience Europe by yacht. Dock closer to city centers, call on smaller islands and coastal communities, and time your voyage to major cultural and sporting events. Choose from 47 itineraries, including short escapes, longer back-to-back Star Collectors and an epic 53-night journey.

More of Northern Europe

Explore Germany, France, the British Isles and Ireland in new ways. Sail through the Kiel Canal, join Hamburg's Port Birthday celebration and follow the Seine inland to Rouen, within reach of Paris, Giverny and Normandy.

Star Explorer also circumnavigates Ireland, sailing into Killary Fjord and calling at new-to-Windstar Inis Mór, with city-center docking in Cork.

The Mediterranean by Yacht

Return to the Greek Isles, follow the excitement of Grand Prix season on your choice of two different yachts or leave the itinerary behind on a new Mystery Cruise.

For the season's longest adventure, *Wind Spirit* sails 53 nights from Tenerife to Venice, connecting the Canary Islands, Southern Europe and the eastern Mediterranean.
