IS A PERGOLA RIGHT FOR YOU?

Elevate your outdoor living space with a beautifully crafted pergola. These stylish patio structures create the perfect framework for relaxing, dining, and entertaining. Designed with either four corner posts or two anchored end posts, pergolas feature crossbeams and rafters that add both structure and visual appeal.

Features:

- Provides the ideal balance of shade and openness
- Can be installed on existing concrete patios or decks
- Customizable with accessories such as: Polycarbonate roof, lighting, privacy wall, decorative lattice, etc.
- Available in a wide range of sizes and custom configurations

We design each pergola to match your vision. With multiple end-cut styles, base options, and layout designs, we'll create the perfect addition to your home.

WHAT SETS OUR PERGOLAS APART?

Unlike big-box store kits, our pergolas are built with quality, durability, and customization in mind.

- Custom-designed specifically for your home
- Crafted from premium Western Red Cedar
- Securely anchored for superior strength against harsh weather, including heavy winds and Wisconsin snow loads
- Wide range of finish options in virtually any color
- 25-year structural life expectancy
- Installed in-ground and/or anchored to concrete
- Aluminum and composite options available
