Helping Others to Help Themselves

Every day we see people with health challenges and disabilities proving that they can live more satisfying, productive lives with access to the right resources. And every day, we see people who can help. This “can do” spirit is why NDAD is here, helping others to help themselves.

NDAD is a charitable non-profit organization that helps people with a wide range of disabilities and medical needs in North Dakota, from specialized equipment or medications to other costly medical travel or services.

NDAD provides assistance on a priority basis according to established guidelines. We coordinate with local school districts, vocational rehabilitation, human service centers and county social services to complement their services without duplication.

How We Help:

Financial Assistance

Funds generated by NDAD are used for personal attendant care, medical equipment and supplies, accessibility, medical travel expenses, medication, transportation, and recreational activities. Our guidelines restrict the use of these types of funds.

Information and Referral

Often people are unaware of available services or how to get help. A major goal of NDAD is to assist people in receiving help through other agencies whenever possible.

Advocacy

NDAD protects the rights of people with disabilities, doing all we can to ensure they receive services to which they are entitled from the appropriate agencies.

NDAD Financial Loan Program

NDAD helps to expand personal financing options for individuals who need assistive devices and services, but March not be able to obtain conventional financing.

Community Fundraising Projects

NDAD is a resource for community fundraisers, which can provide assistance for medical bills, pre-existing bills, and other costs related to health challenges. We provide consultation, act as custodian of the funds and pay expenses from the fund as directed by the chairperson. Because NDAD is a 501(c)(3), these donations are tax deductible if you itemize your taxes.
