This Year at Clover Camp!!!!

During our barnyard-themed three-day Clover Camp, campers had an unforgettable adventure filled with excitement, creativity, and friendship! They joined the Wild Coyotes on a thrilling gold hunt, cooled off during an all-camp swim, and enjoyed a special drive-in movie experience with their friends. Campers got messy making slime, stuffed their very own cows and designed custom t-shirts for them, and were amazed by a magical magician's show. Sweet treats included adorable chicken-decorated cupcakes, while crafty campers enjoyed shearing shaving cream sheep and creating all kinds of barnyard-inspired crafts. The fun continued when a petting zoo visited the rec field, giving everyone the chance to meet and interact with farm animals up close. Throughout camp, campers participated in daily reflections to share their favorite memories and ended the session by showcasing their talents in a fantastic variety show. From start to finish, Clover Camp was full of laughter, learning, creativity, and barnyard fun that campers will remember

for years to come!
