What an AWESOME week at camp! Campers had a blast during our Camp Cup week, where everyone got to join a team and compete in all kinds of exciting games and challenges. From testing their knowledge in Camp GeoGuessr and Camp Jeopardy to cheering on their teammates, there was fun around every corner! One of the biggest highlights was our amazing camp carnival, where campers bounced in the bounce house, cooled off with snow cones, munched on popcorn and cotton candy, got their faces painted, played carnival games, visited the fortune teller, and even watched counselors get splashed in the dunk tank! We also enjoyed an all-camp swim to beat the summer heat. The fun didn't stop there—we danced the night away at the camp dance and ended the week with our best variety show yet, where campers and counselors showed off their awesome talents. Camp Cup week was full of smiles, laughter, teamwork, and memories that will last long after summer is over!

Monday.

We began Week 3 with some crazy downpour, but that didn't stop us from enjoying activities! We grabbed our rain coats and boots and headed outside to have some fun in the rain. For our evening program, each cabin competed in an intense game of geoguesser, where we had to guess where a picture was taken with very little clues. In the end, Pequot won, but everyone had so much fun!

Tuesday

- By Dorina Koller

Today is the 7th of July, Tuesday. After last week's intense heatwave, the weather took a complete turn today as pouring rain and chilly, but of course, the rain didn't stop the fun; it just moved it indoors!

Many of our activities were spent in the Mess Hall playing board games and watching movies with cups of steamy hot chocolate to keep everyone warm. Meanwhile, the bravest campers didn't let a little water slide; they headed outside anyway for some rain-soaked rounds of tetherball. Rainy days really bring out the best camp spirit!

Wednesday

-By Dorina Koller

Today is the 8th of July, Wednesday, and the weather is finally back on our side! The sun broke through the clouds, giving us the perfect day for Carnival Day. The camp was buzzing with excitement as kids lined up for delicious treats like popcorn, cotton candy, and refreshing snow cones. We had an awesome bounce house set up, a thrilling plate smash game, a mysterious fortune teller, and beautiful face painting, and of course, every counselor's absolute favorite: the dunk tank! To make the absolute most of the gorgeous weather, our day campers also headed down to the waterfront for an afternoon swim. Since it's Wednesday, you already know what that means, it's camp dance night! Our incredible DJ Ben is ready to wrap up this magical carnival day by making sure we all dance our hearts out.

Thursday

Finally, a bright sunny day! Today's weather was amazing, we had fun swimming in the pond, scoring goals on the rec field, and playing tetherball. We had our matinee and variety show where so many campers showed off their awesome talents. Campers sang, danced, told funny jokes, and did many other things. At the end of the night, we reflected on our week and said one last goodnight.

Friday

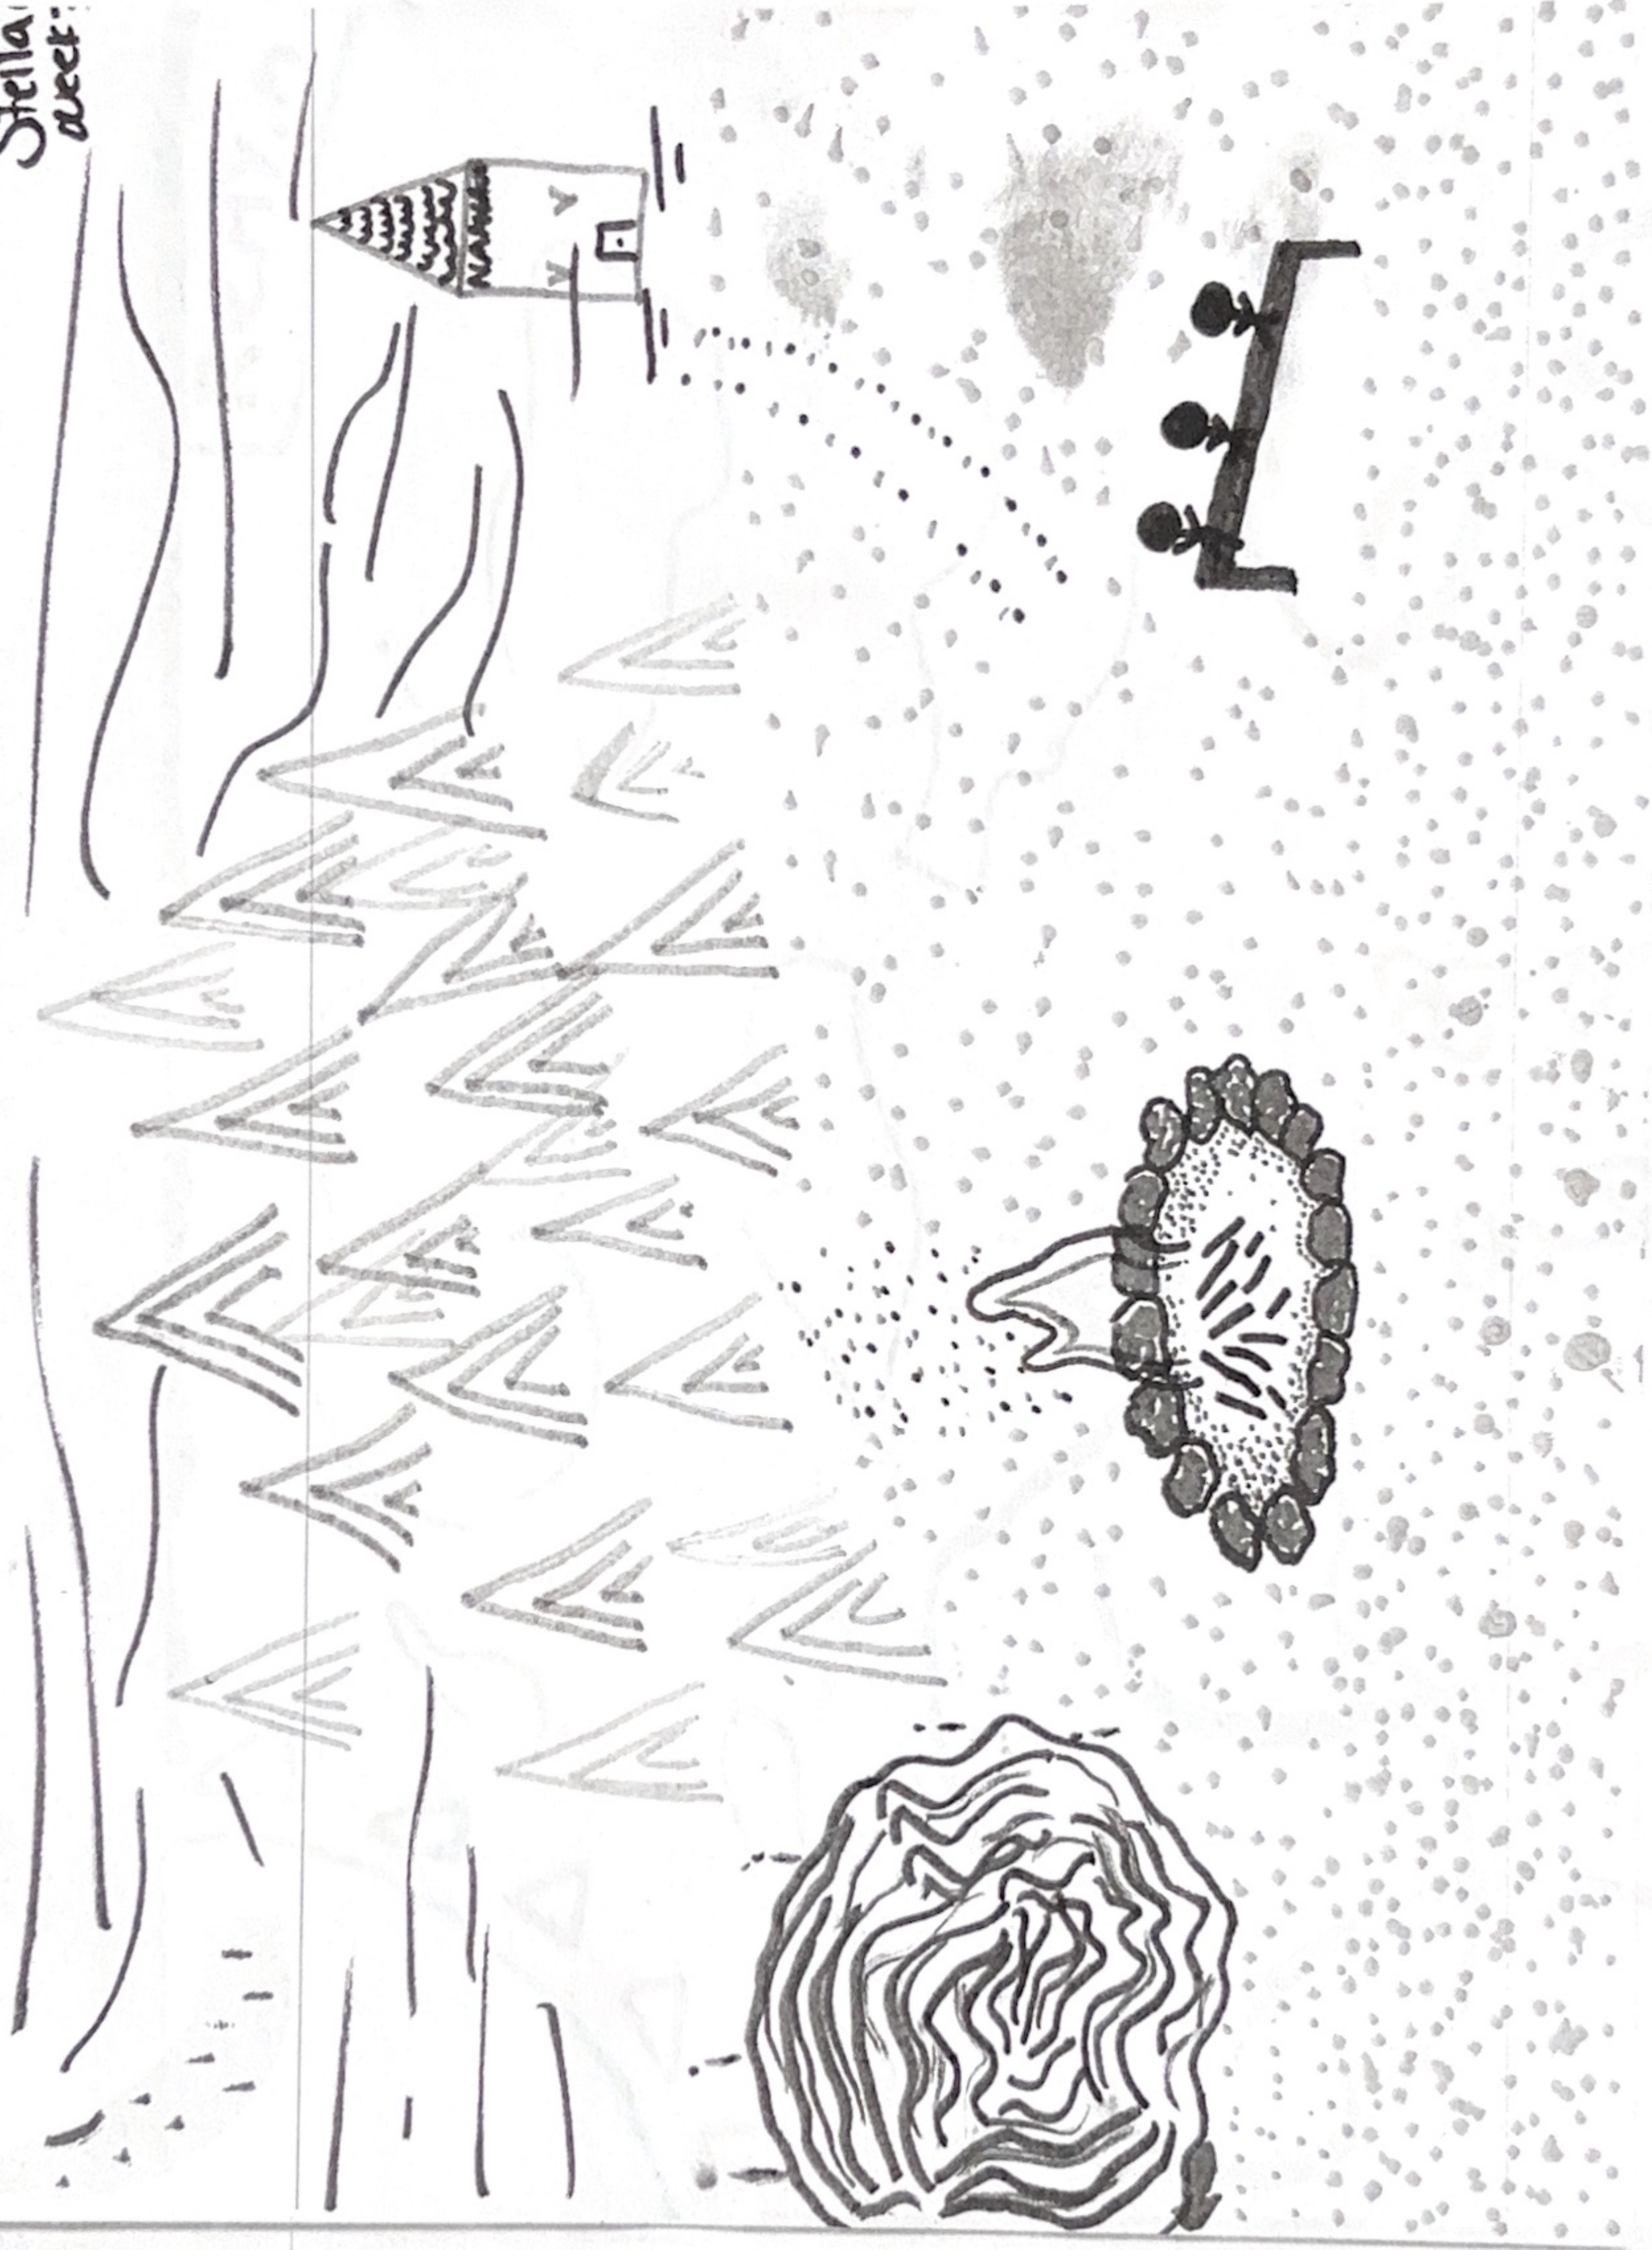

- By Dorina Koller

Today is Friday, July 10th, and it's the last day of the camp week! We are so sad to say goodbye to camp, but so excited to have one final day of fun in the sun! We have a TL appreciation lunch and an ice cream bar today! We also all received a bouncy ball that we get to take home with us! What an amazing way to end such an incredible week at camp! We all hope to come back for another week!
