Residential

Preferred Maintenance Plan – Standard Tier

Protect Your Investment. Avoid Costly Surprises.

Your home has high-end systems that represent a significant investment. Regular professional maintenance is the simplest way to keep them running efficiently, extend their life, and prevent expensive emergency breakdowns.

Simple Pricing (All Systems in the Same Home)
Easy formula: $348 for the first system + $180 for each additional system.

Systems Covered	Annual Price	Monthly Auto Pay
1 System	$348	$29
2 Systems	$528	$44
3 Systems	$708	$59
4 Systems	$888	$74
5 Systems	$1,068	$89
6 + Systems	Cutom Quote	----

What's Included	What Is NOT Included
• Two complete seasonal maintenance visits per system each year (Spring Cooling Check + Fall Heating Check)	• Cost of replacement parts or repair labor (these receive your 10% member discount)
• Thorough multi-point inspection, cleaning, testing, and safety check on every unit	• Large refrigerant recharges, ductwork modifications, or damage from neglect, power surges, pests, or acts of nature
• Written system health report after each visit	• Major components such as compressors, coils, blower motors, heat exchangers, etc.
• Priority scheduling for both maintenance and service calls	
• 10% discount on all parts and labor for any repairs	
• Waived $90 trip/service call fee on any unscheduled service calls	

Why Customers Choose This Plan:
Most breakdowns happen on systems that skipped regular maintenance. This plan keeps every system properly maintained, gives you preferred pricing and priority when something needs attention, and removes the $90 trip charge for unexpected calls.

Ready to enroll?
We can set this up in just a few minutes. All systems will be listed by brand, model, and location so nothing is missed.

Call or text us today or reply to this message and we'll take care of the rest.
***Plans auto-renew annually and can be cancelled with 30 days' notice. Transferable if you sell your home.
