

Dance It: Competition team *commitment agreement*

I (Student) \_\_\_\_\_ and (parent or legal guardian) \_\_\_\_\_

Understand this is a **competition team** and with it comes added obligations, responsibilities, policies, conditions, and fees for all Dance It teams.

1. I and parent or legal guardian commit to the team and will show a positive attitude toward all members on my Dance It team.
2. I and parent or legal guardian understand that if I miss the last 2 rehearsals before a competition or last practice before a performance, for any other reason stated in policy #9. I will not be able to compete or perform at that following event and will not be refunded for the event.
3. I and parent or legal guardian understand if I choose to miss a competition for any reason other than a death in the family or serious medical reasons leading me not to compete, I will automatically forfeit my position on my Dance It team and will be held to: Policy #5 and #6
4. I and parent or legal guardian understand that if I miss the required practice time before a competition or performance, I will still be required to attend my event with a positive attitude towards my Dance It team. (Same attitude goes for my Dance It team members performing)
5. I and parent or legal guardian understand that by signing this form I am committed to the team for the entire dance year. **If I quit or am asked to leave due to excessive absences or bad behavior, I am obligated to pay the \$150.00 quit fee (QF) within 30 days of my quit date and will not be allowed to audition for a Dance It team in the following years. This fee does not apply if you move out of town or cannot continue the year regarding medical reasons. Even if you quit a week after tryouts, you still HAVE to pay the quit fee.**
6. I and parent or legal guardian understand that at any point in the year you will NOT receive a refund on tuition or costumes and competition fees if you quit the team for any reason.
7. I and parent or legal guardian understand that the 2027 convention or intensive is mandatory. Reasons for not attending would be a death in the family or a serious medical reason leading me not to dance.
8. I and parent or legal guardian understand that if I miss important material such as choreography, I will be responsible to learn any missed material or instruction. This might require extra fees for your instructor's time and studio space. Approximate choreography dates August 17-Sept 4, 2026.
9. I and parent or legal guardian understand that I must have a valid excuse to miss class and will notify the instructor at least 1 hour before rehearsal. Example: family weddings, funerals, and school graded activities. If you are too sick to dance, or contagious to others, you should be home resting. I also understand that if I miss extreme amounts of class I will be asked not to be on my Dance It team and will still be required to pay the \$150 (QF): Policy #5
10. I and parent or legal guardian understand that I am responsible for paying the full years tuition and up-front fees for the 2026-2027 season I have danced and completed. If previous balances are still due, I can be withheld from making my team until they are caught up.
11. I and parent or legal guardian understand that I must be prepared for all performances and competitions (hair, make-up, earrings, costume etc.) or I will not be allowed to perform or compete unless my teammates unanimously agree to having me perform. I will also be required to replace any lost performance items at my own expense.
12. I will agree to not use my cell phone or smart watch at any time while class is in session.
13. I understand that all choreography and cut music from Dance It is Dance It's property and may only be used at events where Dance It is performing. All other events, you must seek permission. I do encourage you to perform routines at talent shows or church events, please make sure to wear Dance It gear or announce our studio.
14. Never will I teach choreography or routines learned at Dance It to any other studio or dance class.
15. I understand that if I want to become a better dancer in the time we are here at the studio I must dedicate myself and **WORK HARD!! YOU WILL BE REWARDED FOR YOUR EFFORTS.** I will proudly represent me, my team, and my community.

I hereby consent to have my child or children participate in the programs offered by Dance It. I agree to the above obligations, responsibilities, policies, conditions, and fees for the 2026-2027 dance season. I will not hold Dance It liable for any injuries that may happen on the property of Dance It. Signing this form I have agreed to all the following conditions and rules above.
