**One-to-One Consent:** Consumers are only giving consent to receive messages from the specific business they opt into, not from multiple parties

**Clear Disclosures:** The policy includes clear language about the nature of the messages, frequency, potential charges, and opt-out mechanisms

**Do Not Call Protections:** The policy reflects the latest FCC guidance that DNC protections apply to SMS, making it clear that businesses must adhere to DNC regulations

**Data Sharing and Record-Keeping:** Emphasizes the importance of maintaining proof of consent and clear guidelines on how data is shared for operational purposes.

This updated Privacy Policy example aligns with current 2025 TCPA and FCC guidelines, ensuring your business remains compliant while fostering transparency with consumers.
