OUR FINANCIAL POLICY

Thank you for choosing our office for your dental needs. We are committed to your treatment being successful. Please understand that payment of your bill is considered part of your treatment. The following is a statement of our Financial Policy which we require you to read and sign prior to any dental treatment.

FORMS

All patients are required to complete and sign our Patient Health History form before treatment by the doctor. We cannot utilize your insurance company unless you give us your complete insurance information. Our office will do everything possible to maximize your insurance benefits. Your dental insurance coverage is a contract between you and your employer and/or insurance company. We will gladly process your claim and accept assignment of benefits, but your estimated portion is due at the time of treatment.

FINANCIAL RESPONSIBILTY

The name listed on the "Person Responsible for Account" line is financially responsible for all fees incurred. This includes parents of minors, and legal guardians. Insurance benefits may be assigned as payment for treatment, however, full payment is the sole responsibility of the person listed on this line.

EMERGENCY PATIENTS

New Emergency Patients will be treated the same day if possible. Payment in full is due on day of service. We will submit your insurance form on your behalf.

COPAYS AND DEDUCTIBLES

All co-pays and deductibles are due at the time of treatment. We accept cash, check, Mastercard, Visa, Discover, and demonstrate For patients that qualify, we also have a new patient payment option for extensive work that allows the patient to make payments for up to one year interest free. Our office staff would be happy to go over this with you.

MULTIPLE PAYMENTS

For treatments requiring multiple appointments, 50% of the total charge is due at the beginning of treatment. The balance is due upon completion of treatment.

Our practice is committed to providing the best treatment for you, our patients, and our fees are competitive for this area. You are responsible for payment regardless of any insurance company's arbitrary determination of usual and customary rates.
