THE ENTERTAINERS

Zak Morgan's sense of humor and penchant for wordplay are gifts passed down from his grandpa George. He began writing his own stories in elementary school and honed his writing skills at Kenyon College. He did this while having adventures of his own, including ascending Mt. Rainier and sailing across the Atlantic. After college, Morgan moved to Wyoming where he entertained children during the day and adults at night. There, amongst the moose, beavers and Nunley the donkey, the seeds of his career as a children's entertainer were planted.

Miss Joanie is an in-demand children's entertainer and musician who gets tremendous joy from involving children of all ages in an interactive, music making experiences they truly remember. She just released her second album, *When the Sun Shines* which has already won the prestigious Parent's Choice Award.

Hamilton-based and raised, 14-year-old Christian DePew aka DJ Christian D. started out with a passion for music and dance at an early age. That in turn helped Christian take music and turn it into a successful hobby in 2020. Because of his crowd interaction, versatile and unique song

selections, he has become very popular among his audiences. He is known to bring the Old Funk music into the mix.
