

Pavlish Playhouse & Preschool

September

2026

The Discoverer classroom enjoyed their fieldtrip to tour the fire station. They got to learn about the daily lives of firefighters and explore the firetruck, and be shown around the station. Students got to learn what firefighters daily lives look like in the firehouse. We would like to thank the firefighters keeping us safe and taking the time to show us around. Before the trip; students made firefighters thank you notes and presented them to them at the station.

Reminder; please make sure your student has a spare change of clothes in their cubby, we are running low on spares. Also please remember to bring a sheet and blanket. Thank you😊

October will be a very busy month! It is our USDA food study month. We will be passing out a packet for each child in our program. Please take a moment to fill it out, even if your family does not qualify for the food program they will all need to be counted so that we can continue to claim your child's meals. Also we will be attaching a new 2026-2027 Emergency contact/registration sheet so that we can update our paperwork. And lastly, we have to send in our immunization counts for all children attending. Please either bring in an updated copy of your child's most recent immunizations from your Doctor's office or you can have your pediatrician's office fax over a copy. Our fax # is (509)624-1286. We appreciate your help with these forms as we need to have them completed by the end of October.

Tot Shots photography will be here taking individual and group photos on Thursday, October 15th.

School closure list:

November – 11th (closed) (Professional Development day) November - 25th (closing at 3:00)

September 6th closed (Labor Day)

Infants

Our infants are changing and growing. They are starting to move around the infant classroom. We also have a birthday that is coming up. Ripley turns 1 on September 25th and will be moving up to the Adventure 1 classroom. Happy Birthday Ripley!

Navigators

Navigators had a fun summer full of fieldtrips. There was a lot of excitement about the new school year. The Navigators have been getting adjusted to their new school schedules and going back to doing homework.

Adventure 1, 2, 3.

The Adventure classrooms have been busy learning their schedules, exploring their new activities, and welcoming their new friends into their new classrooms. They've had a great start to the year and are already learning a lot. Parents: Please remember to bring in family photos for the classroom family boards.

Explorers

The Explorer classroom is working on the all about me theme. They just completed an eye chart so they could count how many friends share the same eye color. They have been learning new things about families and how different and unique all people are. Parents: The Explorer classroom is changing their current share day from Wednesdays to Fridays.

Discovers

The Discoverer class has finished their summer fieldtrips. We have been saying good-bye to our Kindergarteners and hello to our new classmates. We will be starting their "all about me" theme for the beginning of the school year. They have started tracing students for them to paint and label their bodies correctly.
