

Pavlish Playhouse & Preschool

We had such a great summer; students enjoyed their field trips, picnics, and a lot of water activities. We are settling back into classroom time and learning activities. Fall is already upon us and we are staying busy here at school! We were sad to say good bye to our Kindergarteners but are excited to be starting our school year with so many exciting things to learn and new faces! **Please remember to bring a jacket or sweatshirt for your child.**

October will be a very busy month! It is our USDA food study month. We will be passing out a packet for each child in our program. Please take a moment to fill it out, even if your family does not qualify for the food program they will all need to be counted so that we can continue to claim your child's meals. Also we will be attaching a new 2025-2026 Emergency contact/registration sheet so that we can update our paperwork. And lastly, we have to send in our immunization counts for all children attending. Please either bring in an updated copy of your child's most recent immunizations from your Doctor's office or you can have your pediatrician's office fax over a copy. **Our fax # is (509)624-1286.** We appreciate your help with these forms as we need to have them completed by the end of October.

Tot Shots photography will be here taking individual and group photos on October 21st

- July 3rd - 4th (Independence Day)
- September 4th (In service work day) September 7th (Labor Day)

Infants

Our infants are changing and growing. We have a couple who have started to crawl and pull up. Aila and Juniper are turning one this month and are off to explore Adventure1 class.

Navigators

The Navigators had a great summer full of activities and field trips. There was a lot of excitement at the end of August about the new school year.

They have been getting adjusted to their new school schedules and meeting new friends.

Adventure 1, 2, 3.

The Adventurer classrooms have been busy learning their schedules, exploring their new activities, and welcoming their new friends in their new classrooms. Right now they are learning all about Autumn. They've had a great start to the year and are already learning a lot and having fun.

Explorers

The Explorers have been doing the back to school theme. Their next theme will be all about me and my family. The teachers ask that families bring in pictures of their family to share with the class and put up in their classroom.

Thank you😊

Discoverers

The Discoverer class has finished their summer field trips. We have been saying good-bye to our Kindergarteners and hello to our new classmates. They will be starting their all about me theme for the beginning of the school year.
