

**UPGRADE
SAVE 
RECYCLE**

**SAVE 15%
ON NEW
CONTROLLERS**

MARCH 2-APRIL 30

Save 15% on a new controller when you recycle an old one.

Recycle your old controllers at your local SiteOne branch and receive a 15% discount on water-efficient controllers from Hunter and Rain Bird. To receive the 15% discount, new controllers must be purchased in-branch at the time of recycling.

Gather up any older residential controllers

Recycle them at your nearest SiteOne Branch

Save 15% on new SMART controllers

Plus, Save up to 10% on Related Products

Along with controllers, you can save on other water-saving products such as high-efficiency spray and rotor nozzles. View our brochure or visit your [local SiteOne branch](#) for more details.
