

90 Lay-Away Plan

All items require a 25% non-refundable deposit.

The balance after the deposit will be split into 3 payments, payable every 30 days. Layaway orders will be set up upon final payment.

Payments must be made regularly, as scheduled, and we must receive them on or before the day they are due. If more than 2 payments are late or if the layaway is not paid in full by the scheduled end date, the item will be returned to stock and all funds paid to date will be forfeited.

Because layaway items are being taken off the market and held for you for an extended period of time, they will be sold as **final sale only**. We do not allow returns or exchanges on layaway items.

As payments are remitted to Hoot & Holler Archery, the invoice will be adjusted accordingly until the item is paid in full.
