_____(Customer initials) I wish to participate in the monthly Subscription program and authorize Isagenix to charge my credit card or debit card for the amount of my monthly Subscription orders or, if applicable, deduct the amount from my bank account. I understand that all Subscription orders are subject to applicable sales tax and shipping and handling costs, all of which will be added to the order total.

Sign up on Subscription. This optional program allows you to establish automatically recurring monthly product shipments. Your first Subscription order will be shipped and billed about 28 days after your initial order. Subsequent Subscription orders will be shipped and billed on a 28 day rolling cycle. You must select at least one commissionable product to set up a Subscription order, but there is no minimum purchase requirement. You understand that periodic shipments of the products that you have ordered will occur without any further action by you. You are the only person who is authorized to establish, cancel or change your participation in the Subscription program or to authorize others to do so on your behalf. You may cancel or make changes to your Subscription order at any time by notifying Isagenix by email at Support@IsagenixCorp.com or by phone at 877-877-8111. Changes and notice of cancellation must be received by Isagenix at least one (1) business day prior to your monthly Subscription processing date; otherwise, the changes or cancellation will become effective in the month following the month in which Isagenix receives your notice of cancellation.
